

Announcing Modernize Mitel MiVoice Connect (aka ShoreTel) Promotions

In anticipation of Mitel's upcoming lifecycle announcement on MiVoice Connect (aka ShoreTel), ProTelesis is pleased to offer the following promotions . . .

- **Migrate to Mitel MiVoice Business:** This promotion is meant to provide a migration path to the MiVoice Business solution from MiVoice Connect and MiVoice Connect Contact Center, aka Enterprise Connect Contact Center (ECC), before they reach end of support in December 2029. This promotion offers between 50% and 100% off MiVoice Business when migrating from a qualifying MiVoice Connect System!
- **Migrate to the Cloud:** Several cloud based Unified Communications (UCaaS) vendors are offering incentives for moving your MiVoice Connect system to their platform. UCaaS systems offers many benefits, including low-cost installation/migration, local and national long distance calling at no additional charge and leading-edge communications features. UCaaS vendors are offering deeply discounted phones, subscription plans and installation/migration services. You may even qualify for free phones and/or your first month free!

Protect your investment in your MiVoice Connect system by taking advantage of the promotion of your choice. Contact your ProTelesis Account Manager, call us at 833-977-6835 or email us at info@protelesis.com for a free consultation on the future of MiVoice Connect and a review of your options.

Sincerely,
